-
- Oct 1** *War and Healing. Video* The trauma of war can destroy the very soul. The good news is that spiritual methods of traditional cultures can restore it for a return to a full life.
- Oct 8** *Spiritual Progress Measurement. Lecture/Workshop* This workshop will reveal tools for measurement and tracking of your spiritual progress. Join us for a live demonstration of consciousness measurements and an opportunity to speed up your spiritual transformation.
- Oct 15** *Cracking the Gnostic Code. Video* Gnosticism was an ancient, pre-Christian form of esoteric wisdom. This video features a thought provoking lecture by John Algeo.
- Oct 22** *Theosophy, Kabbalah and The Dead Sea Scrolls. Lecture.* The secret 2,000 year old library has been uncovered along the shores of the Dead Sea. This presentation elucidates the cosmogonic and anthroposophical keys to the ancient origins of humanity revealed by the Qumran cave manuscripts and the relationship to the Kabbalah.
- Oct 29** *Shamanic Healing. Video.* Shamans treat disturbances in the luminous body before they manifest in the body as illness. Some of this work is similar to Jungian analysis in that it works with archetypes and the mythical, but the effects are felt more quickly.
