The Essence of Reality –  
A Clear Awareness of How Life Works.  
Talk by Tom Nehrer.

Beliefs and definitions, absorbed during childhood, mask Reality's interrelated Oneness with Consciousness. Tom's long inner journey engendered his ongoing perception of that Oneness – glimpsed earlier during a mystic experience. From his unique perspective, Tom clarifies inner causality of real events/relationships, specifically negating mindset elements and exposing fallacious common and esoteric notions. He will introduce his second book, The Psyche Exposed – due out in early 2011. Free will donation is requested.

Previously we mentioned that Tom Nehrer would be coming to speak on July 4th. Scheduling conflicts have resulted in that being changed to Saturday July 3rd. In the meanwhile if you want to know more of what he is about, his webpage again is <http://www.nehrer.net>

Grosse Pointe-Harper Woods residents will be able to tune into Tom's interview by Robert and Pamela Taylor on Out of the Ordinary into the Extraordinary, Comcast Station 5 WMTV. It is to be aired the week of Monday July 5th, at 5 and 11AM and 11PM.

We are still soliciting donations of theosophical books for our upcoming Used book sale to be held Friday and Saturday, July 10 – 11. Pick up can be arranged upon request. Contact Marina at 248 545-8553 or (248) 545-1961.
